## Healing with Compassion

At our Academic Medical Centers, LAU Medical Center-Rizk Hospital in Ashrafieh, and LAU Medical Center-Saint John's Hospital in Jounieh, it's all about YOU.

We take pride in our excellence in patient care, high-quality teaching, research, and innovation, all practiced in close partnerships with superior health professionals.

Featuring diverse specialized clinics and outstanding facilities, including state-of-the-art operating rooms. As a pioneer in the region, the Hybrid Operating Room is supported by a team of highly qualified physicians, nurses, and staff, all dedicated to "healing with compassion".

Guided by a steadfast and unwavering commitment to fulfill our mission and support our vision, YOU are at the core of our model.

**Visit our Medical Centers to experience exceptional medical care and outstanding compassionate service.**
